

FINTECH:

Tools, Concepts, & Applications

PRESENTS

an event showcasing student-programmed,
professor-designed, finance-themed video
games known as a...

Fintech FeynTeX Fair

open-source?
open show!

the next evolution of the
Feynman technique

gamifies, does not oversimplify

Feynman, a Nobel laureate, refactored
the work of Socrates for Physics.
We did to him what he did to Socrates.
For fintech.

alludes to how the Gadfly himself would
spell tech(nology): TEXNOAOΓIA
